Facts About Strathmore

And Town Solicitor

NO. 4, AS A TOWN

Our community having been a town for a quarter of a century it is impossible for me in an article such as this to give more than a brief resume of what happened during that long period. As a result of reading hundreds of pages of minutes, containing many interesting items, too numerous to be fully dealt with, this resume must necessarily be brief.

As already mentioned while the Town was incorporated on July 31st, 1911 the charter was not signed until 21st July, so that in fact our first celebrations for 22nd July we are not wide of the mark.

Our first Town Council met on 25th August 1911 and consisted of the following members: Mayor Lambert and Councillors Glavin, Glavin, Brown, Clements, McCulloch and Owen. Mr. Glavin was appointed as the health officer and Mr. M. E. Siley, secretary. Mr. Siley carried on till May 1914, when Harry Wood was appointed. Mr. George H. Hill was appointed his successor in March 1915, who, in turn was succeeded by Mr. F. R. Lyle, who resigned in 1925, when the present holder was appointed.

The Town has had three legal advisors, Mr. J. J. Pettie, Mr. A. B. Hov, and the writer, appointed in 1917.

There is an interesting item, taken from the minutes of 1917, "that there be no age limit in the dog tax." This is our earliest reference to regulations, and it may take us an answer to many questions put to me by dog owners.

In the early days there was talk of waterworks and sewage, and certain investigations were made.

In these early days there was a crying need for a Town Constable, complaints having been made, that by-laws were not being enforced. It is curious that the Constable was not a member of a Sheriff's Holmes they at last secured the services of A. H. Holmes. His duties certainly were multifarious, involving the duties of a handy man and constable.

The principle of taxation then in vogue was that of the simple tax, the method in use till 1925, when improvements were first assessed.

Many major improvements were carried on in Mayors' time, such as plank sidewalks and concrete sidewalks, while two fire walls were built facing the main street.

In July 1912 two fire-fighters appeared on the scene, Mr. George T. Berry and Mr. O. Bremer, the former still with us, the latter in Calgary.

Mr. Lambert, as Mayor, carried on for the long period of ten years, during which time he looked after the interests of the ratepayers with the same care and the same care as he gave to his own business. His position as Mayor was contested, but without success on the part of those who would have had him ousted.

Mayor Butler succeeded Mayor Lambert and ruled for a period of two years. His successor, Dave Bell, during whose mayoralty the roads within the Town limits were graded and gravelled at considerable expense, when advantage was taken of using the equipment of government contractor working in the district. Another matter of considerable interest was a contract entered into with the United Electric and Engineering Company Limited for the supply of light and power to the Town. Shortly after the interests of that company were taken over by the Calgary Power Company Limited, which Bell carried on for a period of four years. It was during his time, in July 1924, that Strathmore suffered a major calamity in the form of a fire, which destroyed half of the business section, when the following suffered heavy losses: J. Harrold, Dr. Glenn Glavin and Robinson, T. M. Wears, T. B. Eves, Fred Cott, M. B. Garrett, White & Son, George Smith, H. McRechie & Son, Massey-Harris and Mayor Lambert.

Our next was Mayor Shrimpton, who resigned for quite a long period of eight years. He gave considerable

time to his office, and from his location as a business man was the recipient of all manner of complaints which he relayed to the Secretary-Treasurer. Mayor Shrimpton had the signal honour of being appointed President of the Union of Alberta Municipalities, and took the chair of that body held in Edmonton in 1930. No less than thirty resolutions were handed from the chair, and it was agreed that our Mayor joined that convention to the satisfaction of all. This was the start of the depression when the unemployed problem presented itself.

In 1925 Mayor Shrimpton retired when Mr. Cardner was elected by acclamation chief executive. "Dave" brought to bear on his new position a mind steeped in municipal matters, and this qualified, was of great use to the town. The mayor of the council, and the community at large, having received a better job in Calgary, Mayor Cardner resigned and was succeeded by Mayor Hughes, who without Dave's technical knowledge, is a good all round man, with considerable experience as a councillor.

MISS FLORENCE GARRETT HONOR GUEST AT A CONGRESSIONAL SUPPER OF UNITED CHURCH

The Board of Managers of United Church and of their wives arranged a very delightful banquet and presentation in connection to Miss F. Garrett, in the church basement. Wednesday last week. The tables were particularly attractive, with quantities of garden flowers, and other ornaments carrying out a color scheme of pink, mauve and green.

Miss McGreer, chairman of the Church Board presented and did the honors in a very pleasing and suitable manner.

At the head table, were the Board of Managers, their wives, Miss Gladys Hughes, Rev. and Mrs. Gilbert, the honor guest, Miss Garrett, her sister Mr. Earl Gilbert and Mr. and Mrs. Garrett and family.

Following the toast to The King, Fred Hirtle created much merriment by his humorous song, The Blushing Bride. A violin solo with organ accompaniment by Edith Hirtle and Bruce Gilbert, and an orchestral selection by the Gilbert family completed the program.

Chairman McGreer then expressed appreciation of the Church Board and congratulated the efficient services and no free given by Florence on all occasions, and called on Miss Garrett to make the presentation of a check of \$100, in the Ambassador Hotel.

Mr. March on behalf of the Sunday School presented a very pretty silk and linen table cloth. Edith Hirtle presented an electric toaster from the P. S. and a long list of letters brought greetings from the local branch of the Canadian Legion in their gift of a pretty table lamp. Florence briefly but very fittingly expressed her gratitude for the lovely gifts and the many good wishes. Mr. Gilbert expressed his appreciation of the kindness shown to Florence. A few general remarks from Pastor Gilbert, including a vote of thanks to the Ladies of the committee who had arranged the banquet, followed by the singing of the Benediction, brought the evening to a close.

As the bridal party entered the Church the C. G. I. Some of you will be glad I did what I did,
And the rest won't want to punish me
too severely
For finding a thing to do that though
not forbid
Yet wasn't enjoined and wasn't ex-
pected clearly.
To punish me over cruelly wouldn't
be right

For merely giving you once more
gentle proof
That the city's hold on a man is no
more tight
Than when its walls rose higher than
any roof.

You may taunt me with not being
able to flee the earth.
You have me there, but loosely as I
could be held.
The way of understanding is partly
mirth.
I would not be taken as ever having
rebelled.

And anyone is free to condemn me to
death—
If he leaves it to nature to carry out
the sentence.
I shall will to the common stock of
air my breath
And pay a death-tax of fairly polite
repentance.
("Not Quite Social" by Robert
Front).

At the present time the world ap-
pears to be getting steadily more ur-
perverted. People must believe some-
thing, and after a course of trying to
believe nothing, they commonly end
by believing everything.

All the good maxims have been
written, it only remains to put them
into practice.—Faulstich.

A. T. A. MEETING

On Thursday June 25th about 20
teachers from the surrounding dis-
tricts met at the Strathmore High
School, to organize a local branch of
the A. T. A. It was decided to call it
the Bow Valley Local.

The following officers were elected.
President—Mr Hoover, Carleton Place.
Vice-President—Mr Cusworth, at
Strathmore, Sec-Treas. Mr Roy Rogers
Betta Vale, and Press Reporter, Miss
H. Peter, Hervey.

A general discussion took place
with regard to the annual school
sports to be held at Carleton Place
on September 25th and sports day to be
held in late spring. It was also
decided to hold several new
events to the program.

The main speaker of the evening
was Mr. M. MacDonald of Craighero,
who gave a very instructive lecture
on the various enterprises which he
has tried successfully during the past
year.

The date of the next meeting was
set for September 16th which is to be
held in Chesley. Five boys' teams
program is being arranged.

At the close of the meeting a deli-
cious luncheon was served.

CHEADLE

Keep the date July 17th open for
the big ball tournament and dance to
be held in Chesley. Five boys' teams.
Strathmore, Chesley, Huttons, Delacour,
Langdon and Cheadle will be playing
during the afternoon. A dance will
follow in the Cheadle Hall with music
supplied by the Delacour music-
ians. Everybody welcome and a good
time is assured for all.

Some of the Cheadle school child-
ren motored to Carleton Sunday
last where they played ball with Glen
cairn school children. Although both
teams played well and the score was
even most of the game the Glencairn
players were able to squeak in a
few more runs in the last period mak-
ing the score 9-7 for Glencairn.

Strathmore boys played ball with
the Cheadle senior boys Sunday last
at Cheadle. They played two games
and Strathmore was able to net the
majority of runs in both games.

CARLELAND

The last regular meeting of the
Ladies Aid was held at the home of
Mrs Jas Nelson with a good attend-
ance. Mrs Jamison invited the mem-
bers to a strawberry social and picnic
were made for a tea at a later date.

PHOTOGRAPHY
A wedding of interest to many took
place on Wednesday, June 24th at the
home of Mr and Mrs E. B. Welsheim
of Chesley when their youngest
daughter, Ruby Alberta, became the
bride of Blair Field, only son of Mr
and Mrs G. B. Field, Carleton Place.

Rev. F. Forster, of Carleton, offici-
ated at the ceremony, which took
place on the lawn under an arch of
evergreens and peonies. The bride,
who was given in marriage by her fa-
ther, was preceded by the bridesmaid,
Miss Margaret Jackson, and a niece of
the bride, Betty Gowdy, as flower
girl, on a path strewn with rose pet-
als, to the strains of Lohengrin's wed-
ding march played by Mrs. D. T.
Gowdy.

The bride was beautifully gowned
in white satin trimmed with chantilly
lace and carried a bouquet of
Calla Lilies and roses. Her veil was
of embroidered net, caught with
orange blossoms. The bridesmaid
wore pink argente with white ac-
cessories and carried a bouquet of
pink carnations and mauve sweet
peas.

During the signing of the register
Mrs Forster sang "I Love You Truly",
accompanied by Mrs. Gowdy.

The wedding reception was held on
the lawn and a delicious supper was
served to about forty guests on a long
table decorated with flowers and
contrived with the wedding cake.

The toast to the bride and groom
was proposed by Mr. Forster, to
which the groom responded. The
bride's father and Alex Storey extend-
ed felicitations.

Mr and Mrs Field left for Calgary
and U. S. points the bride wearing a
printed crepe dress with white tur-
bans and accessories.

On their return they will reside at
their farm near Carleton.

The Carleton Ball tournament of
a week ago passed off splendidly with
a good attendance present.

Afternoon games were, Arrow
wood and Carleton, which Carleton
won with a good margin; Glencairn
and Queenstown, the honours going
to Glencairn.

In the evening Glencairn and Car-
leton tried conclusions, when Car-
leton pulled out a deep pressure about
the middle of the game and won with
a considerable lead.

Mr G. B. Field and Mr and Mrs H.
E. Hoover have motorized East, where
Mr Hoover intends to secure a new
car and drive it back west.

HERVEY NOTES

While looking after the enjoyment
of others at the school picnic at
Betta Vale last week, Homer Nelson
lost a horse at home, though finding
space to a quantity of grain.

Quite a number of Herveyites at-
tended the Gilchrist-Garrett wedding
in Carleton Church Tuesday evening.

W. A. Laycraft met with a rather
bad accident Friday last, when his
balance pole fell backwards off a
load of lumber, hurting his back
quite badly. We are pleased to know
he is recovering favorably.

The school picnic at Betta Vale
was a real success, being such a beau-
tiful day and all hands joining to
make it a real day.

TWO SERIOUS WESTERN PROBLEMS

"If you want to win fame and admi-
ration in public life, try to get a thor-
ough knowledge of what you propose
to do." —Zenophon. Memorabilia
H.V. (Advice given by Socrates to
Glaucon on the necessity of a public
man making himself familiar with the
problem of wheat production and supply
2,200 years ago).

The economic structure of Western
Canada has been built upon a founda-
tion of wheat. The maintenance of
this structure in even its present con-
dition depends today upon wheat and
perhaps for a generation or more to
come—mainly upon the average an-
nual quantity of wheat produced.

How much wheat must be produced
annually on the average to maintain
those essential and desirable facili-
ties and services available to the far-
mer, and all other people, which to-
gether form what we term the
standard of living? And what are the
factors reversing such an amount of
production?

Today we have under wheat in
Western Canada approximately 24
million acres. The average long time

LEON BLUM NEW PREMIER OF FRANCE

Leon Blum, the first Jewish premier of France, is a rich, cultured aristocratic socialist, with exceptional literary gifts, and a home filled with art treasures. He was born in 1872, the son of a wealthy cloth manufacturer, whose ancestors came from Alsace. He was a brilliant student, and took up law but abandoned it for literature. He loved the theatre and made a name as a dramatic critic. Then he developed his literary side and produced some elegant essays. He first became interested in politics at the time of the Dreyfus affair and joined others in their fight to secure justice for a wrongly convicted man. It was in this campaign that he came under the spell of the famous socialist leader, Jean Jaures, and he became a socialist. He then made an unsuccessful attempt to enter public life, and resumed his dramatic and literary work. After 1919, when the socialist party began to split into moderates and extremes, he managed to secure a Paris seat in the chamber and quickly came to the front. When he was defeated in Paris in 1928, he soon secured a seat at Narbonne, a wine growing district. Everybody laughed at a socialist tottering before a conservative agricultural constituency but he still holds the seat. He has the reputation of an honest man and is a constitutionalist and opposed to revolutionary action, and is bitterly hated by monarchists and extreme rightists.

MR. TANNER, SPEAKER IN THE PROVINCIAL LEGISLATURE GIVES FINE ADDRESS

At the well attended Social Credit meeting held Tuesday evening M. E. Tanner held the close attention of his audience.

Dealing with Property Certificates he likened the Government to an employment agency. Mr. Tanner asked what unemployed man would not be willing to pay 1 per cent of his wages as a fee to this agency for obtaining him work? At the same time, what merchant would not be more than willing to pay a 1 per cent cash discount for all new business which the Government was able to obtain for them. From this point of view it seems obvious that both merchants and labourers will be receiving benefits which would otherwise not be obtainable. As the Government was setting up a fund to cover the certificates there could be no question of their ability to redeem them, and while this fund would not be quite as large as the amount of certificates in circulation, this would not be necessary as only a certain proportion would be turned in for redemption at any one time. He also stressed the point that the ministers and members of the government had signified, in

BAINTREE

The Baintree girls defeated the Craigantler Wildcats to the score of 56 to 21 last Sunday. The local girls played a fine game, with Margaret Cornack playing an outstanding game. She knocked two home runs and played a perfect game in field. Ruth Watson lugged a home run to put the locals well in the lead. The girls will motor to Standart to participate in the tournament there. Then there was the fellow who backed into the creek with his truck and the fellow who got the black eye, incidentally with the ball.

Baintree and Nightingale joined in holding a picnic on Tuesday, the last day of school. There many took part in each race with keen competition.

The sack race caused special amusement. The married ladies made the 50 yard dash in record time. Mrs. McNeil coming in first. After everybody had all the ice cream they could eat, a ball game between Baintree and Nightingale resulted in a score of 11 to 12 for Nightingale. Everybody reported a very enjoyable day.

Mr. and Mrs. May left for a tour of Western United States on Thursday. They accompanied Mr. Jacobs and Norman Jacobs of Nightingale.

The district is sorry to hear of the sickness of Mr. G. Porteous. He is in Rochester for treatment. We all wish him a speedy recovery.

The Community Hall is practically complete. Don't forget the opening dance July 2. It will be a big night.

Past performance is the best proof of tire quality. For 17 consecutive years Firestone tires have been on the winning cars in the grueling 500 mile Indianapolis Speedway Race—which is equal to 40,000 miles of ordinary driving.

... that's PROOF of Firestone STAMINA

For 8 consecutive years Firestone Tires have been on the winning cars in the daring Pike's Peak climb with its 181 hairpin turns where a slip means death.

... that's PROOF of Firestone SAFETY

Firestone tires were on Ab. Jenkins' car at Lake Bonneville when he travelled 3000 miles at an average speed of 127.2 miles per hour without tire trouble to establish 77 world records.

... that's PROOF of Firestone ENDURANCE

Firestone tires cost no more. See your nearest Firestone Dealer.
